NKW GROUP / EXPAC SUPPORT TO LIHIR GOLD LIMITED

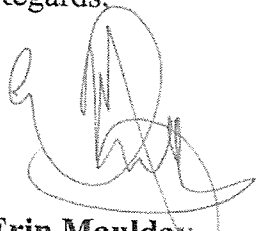

I am pleased to submit this letter of reference to NKW Group /Expac, who have been a supplier to Newcrest Mining Limited's mining operation in Lihir, known as Lihir Gold Limited, for over a decade.

In that time, we have had a mutually beneficial working relationship and they have gone above and beyond servicing the mine in Lihir.

We turn to Expac when we have some difficult items to procure, and they have delivered over the years and worked in well with our logistics providers to maintain an "on time" delivery status for critical parts, as well as re-ordering parts, for a multitude of consumables and machinery to support our maintenance efforts and keep productivity high.

Should you have any further questions, please do not hesitate to call or email.

Regards,

Erin Maulday
